Further Analyzing the Robust Demand in the Prison Industry.....	277
Focus on: Federal Bureau of Prisons – Largest Federal Driver.....	279
Growing Effort of the Office of the Federal Detention Trustee.....	283
Table of Figures.....	286

### Acknowledgements

We would like to thank our co-sponsors of the annual "Securing New Ground" conference for their help with this report. They include Sandra Jones and Company, Profinance Associates, *Security Distribution and Marketing* magazine, and *Security* magazine. We would also like to thank the other Lehman Brothers analysts (and their teams) for their help with this report. They include Olubunmi Asaolu (European Semiconductors), Joseph Campbell (Global Aerospace & Defense), Robert Cornell (U.S. Multi-Industry), Brian Hall (European Machinery), Israel Hernandez (U.S. Software), and the Lehman Brothers consumer team of Andrew Lazar, Lauren Lieberman, and Michael Branca. Our special thanks to Michael Kovac, who interned with us over the summer, conducted many of the end user and company interviews, and without whom the depth of this report would not have been possible.
